

How do I check out? :

- After you have finished creating your files.
- You can check-out from the main menu.
- Select the files you need from the list provided by checking the boxes to the right of your files.
- Once you have selected the files, scroll down to click the checkout option.
- A page will appear that reflects the prices and a short summary of what happens after check-out.
- On the lower portion of the screen, the file(s) selected for check-out and the total due are reflected. Click PAY if the information is correct.
- An order summary page will appear where you can enter your credit card information.
